### **PARENTS:**

We are excited to have you and your scout in Pack 797. At den meetings the leaders will work on achievements or electives from your son's Scout Handbook. There are a number of achievements from your son's handbook, which can be completed by you and your son at home, and you -- as "Akela," a leader -- should sign off in the handbook when it is complete. Some of these (like requirements related to faith) are clearly family matters, many of these are part of what you will be doing anyway as you raise your scout, and others you will be glad to have (like doing chores around the house)! Be sure to let the Den Leaders know what your scout has accomplished at home.

**Belt Loops** - you may go to [www.scouting.org](http://www.scouting.org) for Belt Loop and Pin requirements. (Let the Den Leader know what scout has completed)

**Official Placement of Insignia** on Class A Uniform Shirt can be found in the Cub Scout and Webelos Handbook.

Thank you for your help in leading all of our great Scouts!!

*Roy Pattan, Cubmaster*
